

WONDERFUL WEDNESDAY ADULT CLASSES

BEGINNING SEPTEMBER 4, 2019 – CLASS TIME: 6 PM

PASTOR DREW'S STUDY

Pastor Drew will lead Bible study that previews the current worship theme for Sunday mornings. His class features an opportunity to dig deep into the scriptures that will be taught from the pulpit the following Sunday. Whether you're a bonafide Bible scholar or brand new to Christianity, this is an excellent chance to enter into spiritual formation with your pastor and your church family.

PASTOR RYAN'S STUDY

If you are looking for community then Pastor Ryan's class is for you! We are a fun group of folks who will be discussing several Biblical topics that have been on the minds of all Christians since the beginning. We will dive head-first into these topics, ask hard questions, laugh, and even cry with one another as we explore our rich theological history. Come join us for a fun time of wading in the deep while having our faith enriched by fellowship and Biblical study

STUDY OF ACTS

"Secretary" Ruth Miller will lead a study of the book of Acts. Come join us as we explore the events immediately following the ascension of Jesus, including the dynamic launch of the early church on the day of Pentecost in 31 AD. This book contains wonderful stories about the struggles and triumphs of God's New Covenant people. Many changes take place as the full impact of Jesus' salvation being offered to the whole world comes to light. Much can be learned from this history of the early years of God's church. There is plenty of practical application for today's church, which Jesus promised to never leave nor forsake!
